eXtreme Programming (XP) Product Manager - Silver

The earner of this badge has applied eXtreme Programming (XP) Product Manager knowledge and skills to lead teams, curate product backlogs, balance business needs with user needs, and manage the development of software solutions.

Earner:		Supervisor:		Date:	

Earning Criteria	The earner provided a portfolio of products managed, to include the product name, problem statement/solution description, and stage of development, verified by team lead or equivalent, and submit a professional journal describing challenges within a product development cycle and how they were able to overcome/address the challenges.
Reviewing Criteria	The supervisor will use the provided rubric to assess the earners ability to detail the experience with written and verbal communication – please use the space at the bottom of the rubric to provide feedback for the earner.
Scoring Criteria	The earner must get a "Yes" in Categories 1 and 3, certified in Section 2, and score a minimum of 2 points in all criteria of Category 4 to earn the badge.

	Yes	No
